

Town of New Ashford Council on Aging

Seasons Greetings to the residents of New Ashford from the Members of the Council on Aging.

The *All Residents Birthday Social*, sponsored by the Council on Aging last October, was well attended. It was suggested The Council schedule another gathering as an opportunity for all residents, young and old, to mingle with each another. One suggestion was to sponsor a Game Day.

As a result, on Sunday, January 7th, from 1 PM until 3 PM, we invite all Town Residents to join us in Town Hall for our first *Group Game Day*. We invite you to bring along your favorite game that could be played with any number of participants. To get things started we will set up a game of bingo for those who want to participate. Light refreshments will be served. As mentioned, our primary objective is to offer residents an opportunity to socialize with each other.

Whether you want to play a game or just come to visit, all are welcome and we hope to see you there!

P.S. As a reminder, as a pilot program the *nadtc* (National Aging And Disability Transportation Center) is offering eligible persons free transportation for Health, Wellness, and Medical appointments. Please see the reverse side of this invitation for additional information.
